

Critical Illness Insurance

Help protect your finances from an unexpected illness

*An exclusive benefit offered by
The National Hampton Alumni Association Inc.*

An unexpected illness can have a major impact on your finances and even a good medical plan can leave you with out-of-pocket expenses. **Critical Illness Insurance** can help provide a financial safety net with a lump-sum paid directly to you for covered conditions. It's yours to use however you choose.

Benefits are payable when a covered person is diagnosed with a critical illness or has a procedure for a covered condition. They can help pay for out of pocket* medical and non-medical expenses like deductibles, copays, or non-covered services, as well as everyday costs, like babysitters and take-out food—helping to safeguard your savings while you focus on recovery.

Benefits to help protect the life you've built

- **Up to \$30,000 in coverage is available** for Hampton alumni and eligible family members.
- **Competitive group rates** can help make coverage more affordable than insurance you buy on your own.
- **Coverage complements your medical plan**, paying in addition to what your plan may or may not cover.
- **Acceptance is guaranteed with no medical questions**, regardless of your health when you enroll.
